

Financial Aid and/or Tuition Scholarship Satisfactory Academic Progress Appeal

Roger Bennett
Student Name

A20113042
Student ID #

STUDENT PORTION

This is an appeal form for financial aid and scholarship eligibility only. Students who are also academically suspended from OSU must complete the academic appeal process and be approved to enroll again at OSU before the financial aid and scholarship appeal will be reviewed by the Financial Aid Faculty Appeals Committee.

The reason I am on Financial Aid Suspension (check all that apply):

- ☒ GPA
- ☒ Pace/Completion Rate (hours completed as a percentage of hours attempted)
- ☐ Remaining Hours for Degree Completion
- ☐ OSU Tuition Waiver/Cash Scholarship:
 - ☐ Did not meet GPA requirement.
 - ☐ Did not meet total hours earned for the year requirement.

Reason for Appeal and Resolution: Your typed statement must address both of the following:

1. **Reason for Appeal:** Explain the circumstances that led to your failure to meet the requirements. (If this is your 2nd or subsequent appeal, your circumstances must be different from your previous appeal).
2. **Resolution.** Explain what steps you have or will take to address these circumstances and how you will manage similar circumstances in the future.

Examples of Circumstances	Examples of Supporting Documentation
Your own mental and/or physical health, injury or disability	Documentation from a medical provider
Death of a family member or significant person in your life	Copy of an obituary or death certificate
Illness, accident or injury of a significant person in your life	Documentation (doctor's statement, police report, etc.) related to the individual for whom you were providing care or support
Other special circumstances	Police reports, letters from those involved in the circumstances
COVID-19 Disruption (illness of student or family member, compliance with a quarantine period, general disruption resulting from such an outbreak)	Medical documentation, personal statement

- If you have other academic work that is not reflected on your OSU transcript, you must provide a transcript from those other institutions.
- Appeals will not be considered until all required forms/documentation have been submitted. If you do not submit supporting documentation, your appeal may be denied due to lack of documentation. OSU ensures the privacy and safeguarding of all financial aid and personal information submitted.

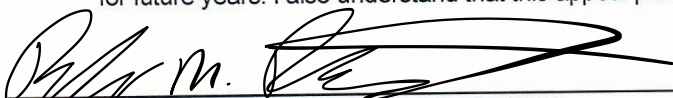

Checklist (make sure all of the following documents have been submitted with your appeal):

- ☒ Appeal form (front and back)
 - ☒ Make sure your advisor has completed their portion AND signed it. ***If appealing for Tuition Waiver/Cash Scholarship ONLY, you DO NOT need to have the advisor portion completed.**
- ☒ Detailed explanation of reason for appeal and resolution (typed and signed)
- ☒ Supporting Documentation
- ☒ Degree Works Audit (**UNDERGRADUATE STUDENTS ONLY**): Go to my.okstate.edu and log in, click on the Degree Works icon. Be sure to click on "Process New" and the most updated audit will populate, do this before printing a copy.

Certification Statements:

By submitting this appeal, I certify that the information contained in this appeal is correct to the best of my knowledge. I acknowledge that decisions on appeals are made on a case-by-case basis and the decision of the Faculty Appeals Committee is final. I understand I will be notified by email of the appeal decision. I understand that if my appeal is approved, my academic progress will be reviewed at the end of each semester and that any failure to meet the conditions of an academic plan prescribed by the Committee will result in the loss of my financial aid eligibility.

OSU Tuition Waiver/Cash Scholarship Appeals: I fully understand that the tuition scholarship programs do not have a probationary period. If this appeal is granted it does not constitute a permanent waiver of my scholarship renewal criteria for future years. I also understand that this appeal process has no impact on my college or departmental scholarships.

Student's Signature (electronic signatures not acceptable)

Please refer to our Satisfactory Academic Progress policy at <https://go.okstate.edu/scholarships-financial-aid/types-of-aid/eligibility-for-federal-state-aid/satisfactory-academic-progress.html>, or the award information you received for your specific scholarship, for more information about academic progress requirements.

ADVISOR PORTION *If appealing for Tuition Waiver/Cash Scholarship ONLY, you DO NOT need to have your advisor complete this portion.

Academic Plan: BSCP Degree Computer Engineering Major Option (if applicable)

Anticipated Graduation: Fall Semester 2023 Year

Student needs 72 hours, which equates to 5 semesters to complete their degree.
Calculate beginning with the upcoming semester. *DO NOT include hours for a minor.*

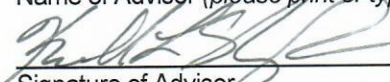

Student's overall/cumulative GPA: 1.980 Required graduation GPA: 2.20

Hours earned/hours attempted: 8.5 / 135 = a completion rate % of 62.96

NOTE: If appealing for Remaining Hours for Degree Completion, why does the student need to take additional hours to satisfy degree requirements? Example: Lost hours through transfer, change of major, seeking second bachelor's degree, etc.?

Roger did change his major before the pandemic, but
has also had struggles since then.

I lost my financial aid eligibility due to not meeting the pace requirements. There are many small aspects that have contributed to this happening. The one that started it was I spent the first two years of my college career in a major that I did not realize I did not enjoy. Being in a major that you do not enjoy makes it difficult to put your best foot forward because you are not enjoying what you are doing and that is exactly what happened to me. Luckily, I had people in my life that cared and helped me realize my true passion in life and how to get there. Which brings us to the biggest factor in me having these issues with pace. When I switched majors I had to drop a number of classes because they were no longer benefiting me in my new major. That set me up to be on the edge of the pace line.

That brings us to January 2020, the beginning of my first semester in my new major. I absolutely loved it. I was going to my professors office hours because I was genuinely interested in learning the material and I was doing well in those classes. That is until COVID-19 hit. For the rest of the semester I was stuck in Texas in a home that was no longer mine trying to do spontaneous fully online Engineering classes that were not made to be fully online.

While that semester didn't hurt my GPA it did hurt my Pace and it did hurt my foundation in ECEN. The classes I was in were the bases for my whole major and it set me up to not do well in the rest of my classes because my understanding was not there. As the semesters went on we had OSU trying to get back to something that resembled the old normal while trying to keep COVID cases down and it just did not go well. For students and professors alike.

In the past two semesters I have been Quarantined 8 times and I do not go out. I go to work at the Union and to classes, all while wearing a mask too. I got COVID last semester that put me in bed for a week. The problem with that is all of my classes were half online and half in-person. So I was missing stuff in every class and fell behind. Two of my classes shared the same professor and he would Zoom the class, but only showed the document camera and would spend the whole time at the chalkboard writing material so if you weren't in person you didn't learn.

Now that I have explained my experience with the last few semesters let me tell you why it's not going to be the same going forward. First, I have done this online schooling enough that it isn't going to phase me. I have made sure to have a personal study/desk area in my house which is something I didn't have the first time and I also know how to cope with it since I have been through it before. I have found a therapist which is helping with my mental health greatly and allowing me an outlet with someone to talk to. This semester, I have already reached out to other people in my classes and gotten study groups set up that I have already utilized as well as emailed all of my professors my accommodations letter, which is something I have never done.

I am getting more involved in my major with joining the IEEE which will allow me to connect with more people in my major and with similar interests as me. I think that will help a lot because I have felt really alone since joining ECEN because my whole experience has been in a pandemic. I am also in a position with my job that I make my own hours and if need be can take time off as needed to make sure that my schooling is to come first, because graduating with an Computer/Software Engineering degree is my top priority and I am excited to finish my collegiate career strong, because it's not about how you start but how you finish.

☐ Major in Computer Engineering

Catalog Year: 2020-2021

GPA: 0.000

Unmet conditions for this set of requirements:

57 total credits are required for your major.

57 total credits are required for your major and controlled electives.

You have 0 credits of transfer work applied to your major. Please note that credits in excess of 28 will be used elsewhere in the audit.

<input type="checkbox"/>	Mathematics		
<input type="checkbox"/>	MATH 3013 (C or better)	Still Needed:	3 Credits in MATH 3013*
<input type="checkbox"/>	Electrical & Computer Engineering		
<input type="checkbox"/>	ECEN 3314	Still Needed:	4 Credits in ECEN 3314*
<input type="checkbox"/>	ECEN 3513	Still Needed:	3 Credits in ECEN 3513*
<input type="checkbox"/>	ECEN 3613	Still Needed:	3 Credits in ECEN 3613*
<input type="checkbox"/>	ECEN 3714 (C or better)	Still Needed:	4 Credits in ECEN 3714*
<input type="checkbox"/>	ECEN 3903 or PHYS 3313 (C or better)	Still Needed:	3 Credits in ECEN 3903* or PHYS 3313
<input type="checkbox"/>	ECEN 4013	Still Needed:	3 Credits in ECEN 4013*
<input type="checkbox"/>	ECEN 4024	Still Needed:	4 Credits in ECEN 4024*
<input type="checkbox"/>	ECEN 4213	Still Needed:	3 Credits in ECEN 4213*
<input type="checkbox"/>	ECEN 4243	Still Needed:	3 Credits in ECEN 4243*
<input type="checkbox"/>	ECEN 4303	Still Needed:	3 Credits in ECEN 4303*
<input type="checkbox"/>	ECEN 4503	Still Needed:	3 Credits in ECEN 4503*
<input type="checkbox"/>	Computer Science		
<input type="checkbox"/>	CS 4323 or ECEN 4283	Still Needed:	3 Credits in CS 4323* or ECEN 4283*
<input type="checkbox"/>	CS 3353 (C or better)	Still Needed:	3 Credits in CS 3353*
<input type="checkbox"/>	Industrial Engineering & Management		
<input type="checkbox"/>	IEM 3503	Still Needed:	3 Credits in IEM 3503*
<input type="checkbox"/>	Electives: 6 Credits	Still Needed:	6 credits selected from combinations on the departmentally approved list and approved by advisor.
<input type="checkbox"/>	Controlled Electives		
	Remark:	Other courses such as MATH, CS, STAT, etc., maybe approved by advisor	
<input type="checkbox"/>	Select 3 credits of the following technical electives	Still Needed:	3 Credits in ENSC 2113* or 2123* or 2143* or 2213* or ENGR 3@ ATTRIBUTE = UPPR or 4@ ATTRIBUTE = UPPR

☐ Minor in Computer Science

Catalog Year: 2017-2018

GPA: 2.250

Unmet conditions for this set of requirements:

You have taken 7 total credits but still need 14 more.

One course must be 4000 level. No more than two courses can be transferred from another college or university. No grade below a 'C'.

<input checked="" type="checkbox"/>	CS 1113	CS 1113	Computer Science I (A)	C	3	Spring 2020
<input type="checkbox"/>	CS 2133	Still Needed:	3 Credits in CS 2133*			

<input type="checkbox"/>	CS 3443 or ENSC 3213	Still Needed:	3 Credits in CS 3443* or ENSC 3213*		
		CS 2351	Unix Programming	B	1 Fall 2020
		CS 2433	C/C++ Programming		(3) Fall 2021
<input type="checkbox"/>	12 credits from current and past CS courses in the official OSU Catalog except CS 1003 and CS 1013	Still Needed:	8 Credits in CS @ Except CS 1003 or 1013 additionally you need a minimum of 1 Classes from CS 4@ ATTRIBUTE = UPPR		

Fallthrough Courses

Credits Applied: 31

These courses are not used to fulfill **specific** degree requirements. However, the grades and credit hours **will** factor into your Overall GPA and total credit hour count.

AERO 1111	Foundations of the USAF I	A	1	Fall 2018
AERO 1211	Foundations of USAF II	A	1	Spring 2019
ASTR 1013	The Solar System (N)	D	3	Fall 2017
ECEN 3714	Network Analysis	D	4	Spring 2021
ECEN 3903	Intro To Devices	D	3	Spring 2021
ENGL 1213	Composition II	B	3	Spring 2018
ENGR 1332	ENGR Design with CAD for MAE	B	2	Fall 2019
ENGR 1412	Intro Engr Comp Programming	C	2	Spring 2018
MATH 1613	Trigonometry (A)	C	2	Spring 2018
MATH 1715	Precalculus (A)	C	4	Summer 2018
Satisfied by: MATH2412 - Precalculus - Lone Star College - Montgomery				
MATH 2163	Calculus III	D	3	Spring 2021
PSYC 1113	Introductory Psychology (S)	B	3	Spring 2018

Insufficient

These courses fall below the minimum grade requirements. These may include courses with grades of W or F, or repeated courses which are excluded.

AERO 2111	Evol USAF Air Power I	W	0	Fall 2019
CHEM 1414	Gen Chem for Engineers (LN)	W	0	Spring 2018
